

DAY OF EUROPEAN AUTHORS

ΜΑΡΤΗΣ 2023

The image shows a hand holding a black pen, writing on an open book. The book's pages are white and feature a row of yellow stars, reminiscent of the European Union flag. On the pages, a miniature scene of European culture is depicted, including a hot air balloon, a seagull, a person in a red dress, a person in a yellow jacket, a horse, and a person in a red hat. The background is a light blue gradient.

Day of European Authors
27 March 2023
